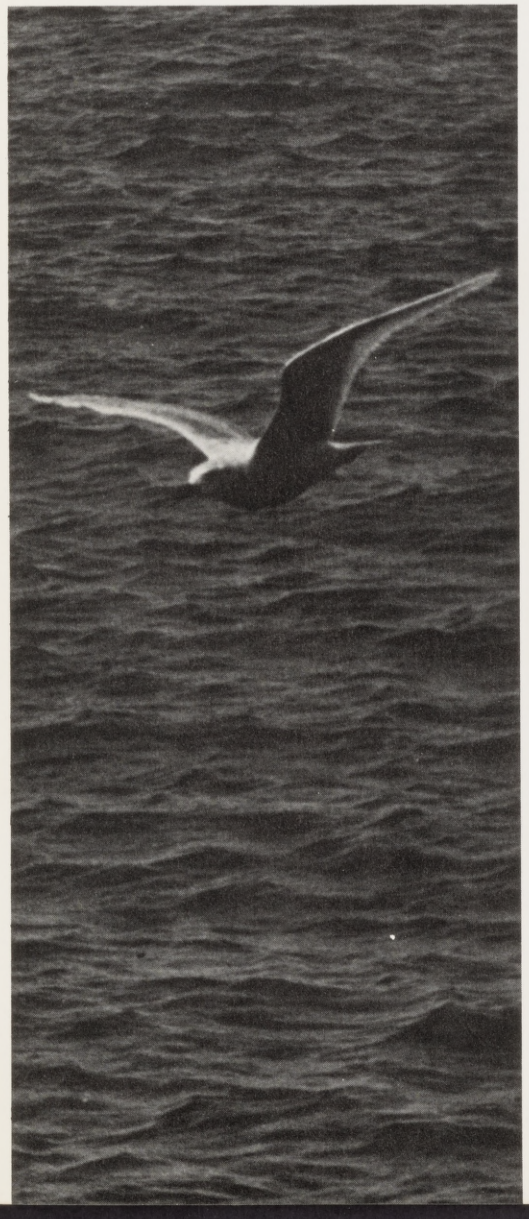
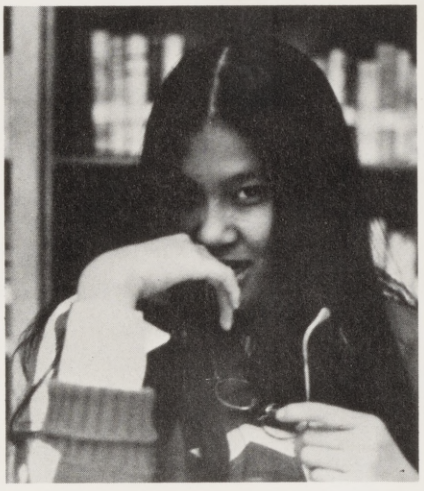
JOHN F. KENNEDY HIGH SCHOOL

RICHMOND, CALIFORNIA

VOLUME V





In order for a school to be exceptional, it must prove to its students that it can meet their needs. Moreover, the students must show that they are worthy of what their school has given them. Kennedy High has more than justified its existence, and its students have excelled in all their undertakings. The students literally "make" their school.

It is the members of the student body, not the Isnala staff, that give the yearbook its quality. So, as you leaf through the '72 Isnala, remember well the part you played in its creation.

DEDICATION

Interest in students, sincerity in deed, and frankness in appraisal are important virtues in the counseling profession. It is because she possesses these qualities, and in such abundance, that we dedicate the 1972 Isnala to Mrs. Elizabeth Rush.

1972 will be a "year to remember" in many ways. The Isnala staff has reason to remember quite a bit of it. We soon became acquainted with the pressures that went with being staff members, but this pressure found itself pitted against too superior an "adversary" a "together" staff with courage and fortitude. We have faced many crises in the past year: the senior pictures that didn't arrive, the pictures that came late, some pictures that didn't come at all, the typewriter that came and went, and the money we never had. Even so, the staff diligently worked long into the nights to meet those deadlines. We worked as a team learning to push and fight for what we wanted: a quality yearbook. The '72 Isnala is that quality yearbook.

Herein, you shall find the sum of our efforts. We, the staff hope you will find the '72 Isnala the quality yearbook we know it to be.

Student Association Presidential Message

To the Associated Student Body:

In the September of '71, John F. Kennedy High School opened its doors letting in 1,625 truly unique and beautiful people. As the days went on, our individualities merged, creating the superior atmosphere of J.F.K. We spent countless hours rapping in the mall, and perhaps too much time begging the teachers for just "one mo' chance." But each and every moment advanced us to our individual states of "intellectuality" and the realization of the fact that we are, truly beautiful people.

Good Luck - and Peace

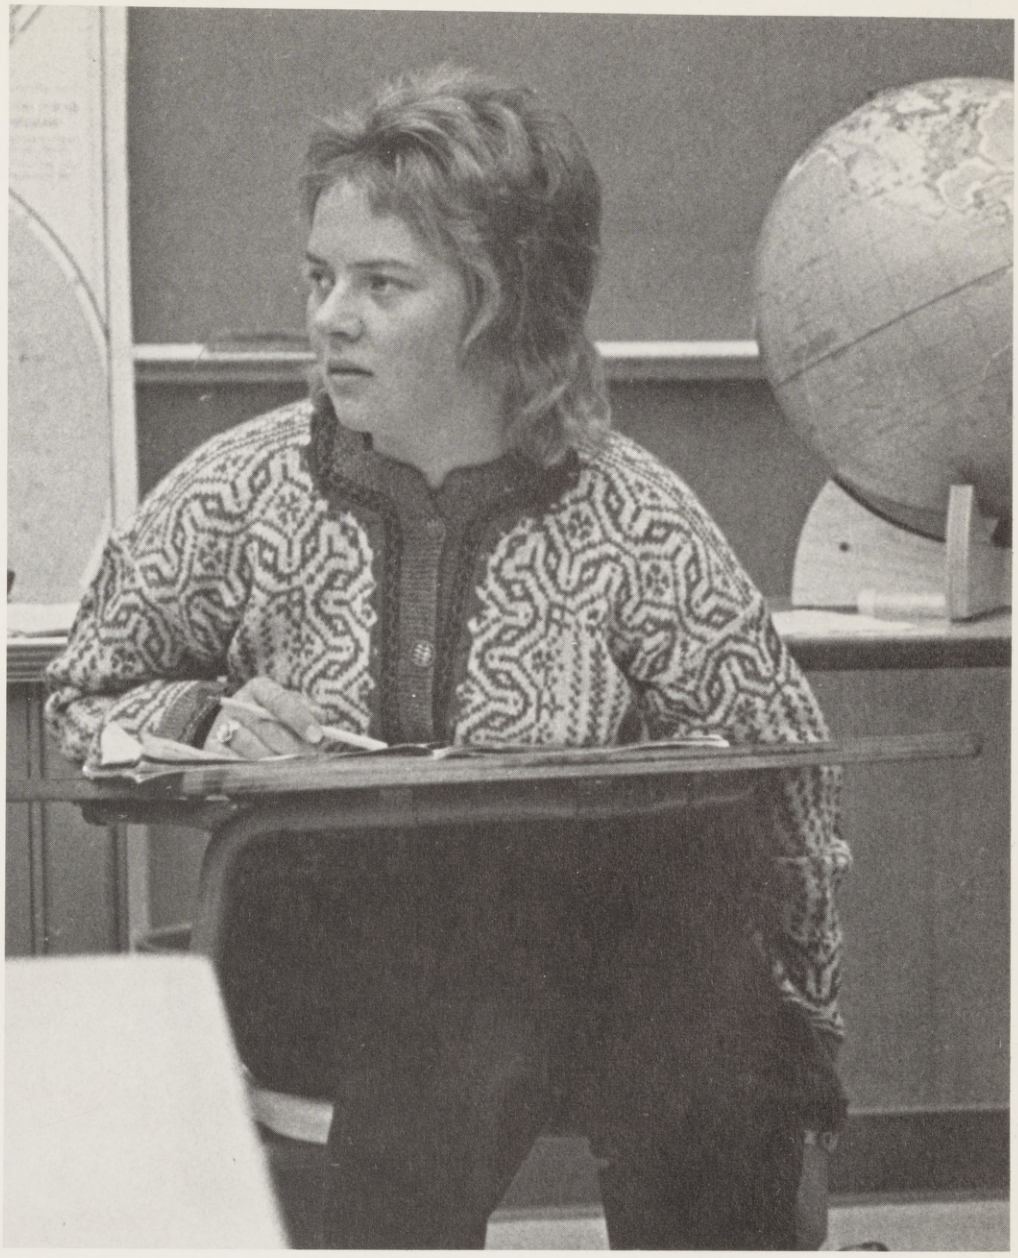
KENNEDY'S LINK WITH NORWAY



Since the first day at Kennedy, I have met only nice people. Everybody has been so friendly and helpful to me and have made me feel like one of them.

Kennedy is completely different from the school I go to in Norway. Norwegian schools are more for studying. Activities like band and drama meet after school.

I will never forget this year at Kennedy. It has been a great experience meeting all of you and attending such a modern school.

SPORTS

VARSITY CROSS COUNTRY

The 1971 Cross Country season will be remembered by the ones who competed in it, as the year that wasn't to be.

At the beginning of the season hopes were high for a very successful year, but injury and illness soon cut down any chances of achieving that goal. The top three varsity runners, Dave Larson, Al Steinbrugge, and Doug Straus were all injured in the middle of October and were lost for the remainder of the season, leaving the team without its leaders.

Every runner, no matter how good or how bad, achieves his own personalized level of accomplishment and glory. The following pages are "those" moments captured on film.

As I look back on the season of 1971, I am reminded of a speech made by the great Vince Lombardi. In this speech he stated that "some guys play with their heads. That's okay. You've got to be smart to be #1 in any business. But more important you've got to play with your heart--with every fiber of your body." To me, this statement accurately portrays the personality of the 1971 Eagle football team, for I don't feel that I have

ever coached a group of young men who put more into the season than they. The season of 1971 was one of great gratification and though it has come to an end, I am sure it is just the beginning of many successful careers, because the young men of the 1971 Eagle football team were WINNERS in the truest sense.

VARSITY BASKETBALL

Throughout the season, Kennedy's exciting pressing defense and fast-break offense brand of basketball forced its opponents to play at a pace they were usually unaccustomed to and, consequently, resulted in many victories and great spectator basketball.

The front line of Robert Wills, Ron Price, and Rick Hilliard were continually matched against taller opponents, but were great at getting the rebound and outlet pass to leading scorers and All-League guards, Mike Rock and Lonnie Coleman.

At various time during the year, Manuel Evans, Bobby Curtis, Greg McKelvey, and Sam Hamilton earned starting roles and made key contributions in several victories.

During the course of the season, the Eagles met three Tournament of Champions teams, Berkeley, Fremont, and Hayward, and defeated the latter two.

Because of accomplishments like these, the Eagles were deserving in the honor of being one of the East Bay's top-ranked basketball teams.

TENNIS

Kennedy High's tennis team turned in its strongest performance in years winning the Northern Division Championship. The team has only two graduating seniors, Robert Gong, #4 singles and Darryl Fujii, #1 doubles. Richard Wong, Jordan Simmons, and Doug Straus, all juniors played the top three singles and Pat McLaughlin came through in clutch situations. Darryl Wong came off a severely sprained ankle and finished out the season in fine style. Tymme Lieu teamed up with Fujii in the first doubles and played some singles.

SENIOR MESSAGE

Winter had melted away. All around, new buds sprouted on barren trees, and flowers began to blossom. There was newly unrolled grass in our mall - spring fever had come to the students; Spring 1970 had arrived at Kennedy High. But for the class of '72, it was still winter. The news had come: half of us were to go to Ells. Looking back now, we, the J.F.K. class of 1972 must have gotten the better end of the deal, for our half a class is just as good - probably better - than any other whole class!

As freshmen, we began to set precedents for our following years. Under the leadership of James Colbert, Betty Prisentine, and Pam Jackson we brought forth talent, in all school activities, a trait which was to remain with us until graduation. A prime example is Jimmy Sanders, who as a freshman not only set school cross country records, but along with Dave Larson, Mike Reynolds, and John Davis, led our Soph/Frosh team to the City Championship. Also, in the world of sports our undefeated Soph/Frosh basketball team began its winning tradition by placing first in the A.C.A.L. Another athlete, but under a different guise, was Craig Mohagen, who went to the State Forensics Finals.

Our sophomore year added on more accomplishments as well as improving upon those we had set as freshmen. Under the continued leadership of James Colbert, and his new officers Gwen Bonner and Robin Walker, our homecoming float, with Brian Clark presiding over the tombstone ceremonies, placed first. Our winning tradition continued with league titles in both football and basketball. All our sportsmen were spirited on by cheerleaders Vonya McCann, Lynette Jee, and Bobbie Davis. Meanwhile, Dave Larson went all A.C.A.L. in cross country by placing eighth in the league, and in Forensics Bryan Uhlenbrock made it to the state finals.

Our junior year would see us add successful social events to our ever-growing list of accomplishments. Class officers Vonya McCann, Larry Guittard, and Lynette Jee engineered a "smashing" talent show. But, by far, the most intimate social event was our Junior Prom.

Individual standouts were numerous. The J.V. basketball team was champion again. Mike McKinley, Doug Long, and Wendell Tong led the Varsity golf team to the city title. Mike Rock, who distinguished himself as one of the best long jumpers in California, accompanied Manuel Evans to the state meet as part of our mile relay team, while Ken Lewis made it to the State Wrestling Finals. In Forensics, our state finalists were Nina Asaro, Robin Walker, Craig Mohagen, and Dean Kertesz. However, the most unique accomplishment was Vonya McCann's A.F.S. summer trip to Norway.

Our senior year was in keeping with our great past. Our social calendar began with a summer barbeque at the home of Don Gosney. Social standouts were Homecoming Queen Pam Jackson, her attendant Diana Milton, and our Snowball queen candidate Marilyn Bluitt. Led by Robert Gong, Bruce Furuya, and Jackie Alexander, our final year was climaxed by our dinner dance and intimately concluded by our Senior Ball.

We weren't satisfied with being "just as good." Our past has shown that we've done a lot throughout our four short years, a lot of understanding as well as a lot of education. Our records show that nothing but promise lies ahead.

Our destiny was decided "that" spring when we first split up - our class of '72 was destined to be the "better half."

JUNIOR MESSAGE

In reviewing the past three years, we can see the dramatic growth of this year's Junior class: the class of '73. Indeed, we have made tremendous progress in all our efforts.

This school year saw the class of '73 excelling to a height never before achieved by a junior class. We have set a fiery pace from academics to sports that will be a trial for any future class to beat. Next year, we shall take our leave of Kennedy, and we shall be remembered as the most successful and spirited class to pass through Kennedy's doors.

May we, the class of '73, work even closer together to make our hopes become realities.

May we show love, unity, and respect in all we do and touch.

For as we shall soon know: Make of it what we will, the future is ours.

SOPHOMORE MESSAGE

Well, June stands as the "second year" milestone in a four year course. It is my hope that your first two years have been as fun and challenging as they have been for me.

We have only two years left here at Kennedy, and they shall be busy ones. I can only hope that you have decided what you are going to make of your future. After those two years pass, we shall be out in a world we know very little about.

Whatever you do, make sure that you do it to the fullest; for you are the John F. Kennedy High School Class of '74.

FRESHMAN MESSAGE

June marks the end of our freshman year here at Kennedy. This year has been an experience for each and every one of us.

Like all freshmen, we had to adjust to the atmosphere and attitudes of high school as well as the misery of being called "freshman" in such sarcastic ways.

However, in spite of many obstacles - classes being the least of these - we have grown and matured into students that JFK can be proud of. And, we are proud of ourselves, knowing that we are the learning class - the class that will always be remembered in the history of Kennedy High: The Class of '75.

It has always been a Kennedy tradition to have outstanding Pom Pon girls, and this year has been no exception. Our Pom Pon girls this year have always been on hand giving inspiration to the Eagles. They have made many impressive performances at competition which has always been the distinctive Kennedy style. During halftime routines by the pom pon girls have always been a welcome highlight of the game. We will always remember their smiling faces, spirit and enthusiasm for Kennedy.

SENIOR DINNER DANCE

On February 4, 1972, the Senior Class styled into the Berkeley House for their Senior Dinner Dance. In the spacious Continental Room they were served an elegant hot and cold buffet dinner. The Western Union set the mood with such songs as "Let's Stay Together" and "Just My Imagination." Also, the Senior Class showed their souls by stepping to "Shaft," "The Breakdown," and many others. Together, the food, music, and good company made this a mellow evening in the memories of all that attended.

A TRADITIONAL KENNEDY CHRISTMAS

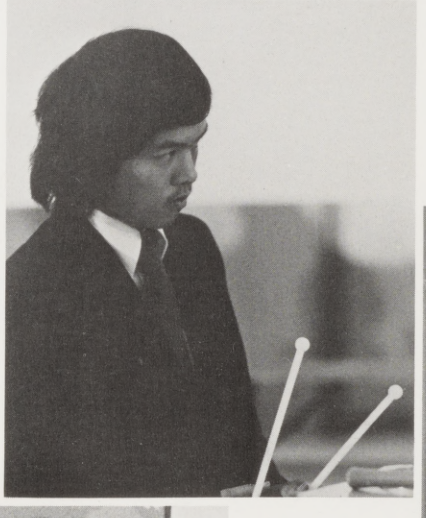
The Kennedy Cafetorium was the setting for Kennedy High's annual Christmas show held December 15, 1971.

The dancers floated to the music of the Nutcracker Suite as the Symphonic Band and Orchestra enhanced the festive mood. The A Capella Choir sang traditional Christmas carols along with the holiday-spirited audience.

Ballet solos by Harlan McDaniels, Craig Mohagen, Kathy Asaro, Suzanne De-Roo, and Terry Roberts contributed to the success of the show. The Afro dancers, in their boldly printed costumes, twirled and stomped to the beat of the drums, adding a bit of their heritage to the evening.

The program was pre-recorded and later televised by Richmond's television station.

True to the spirit of Christmas, the program brought everyone a little bit closer together.



ONE ACT PLAY FESTIVAL

On March 2 and 3, the drama department presented a One Act Play Festival featuring "Aria de Capa," "This Property Is Condemned," "The Boor," "Lady of Larkspur Lotion," "Soul Gone Home," and "The Zoo Story." These two night presentations - directed by students Sindri Anderson, Cindy Hill, Lisa Macintise, Lalita Witt, Dana Dennis, and Craig Mohagen - guided by the experience of Mrs. Hunter, brought out outstanding performances from Wayne Hilty, Craig Mohagen, Bryan Uhlenbrock, Chris Nye, Kathy Espinosa, Linda Kubey, Dorit Bar-Din, and Vonya McCann. The combination of excellent direction and superb acting resulted in a most pleasurable evening for both those that attended and those that participated.

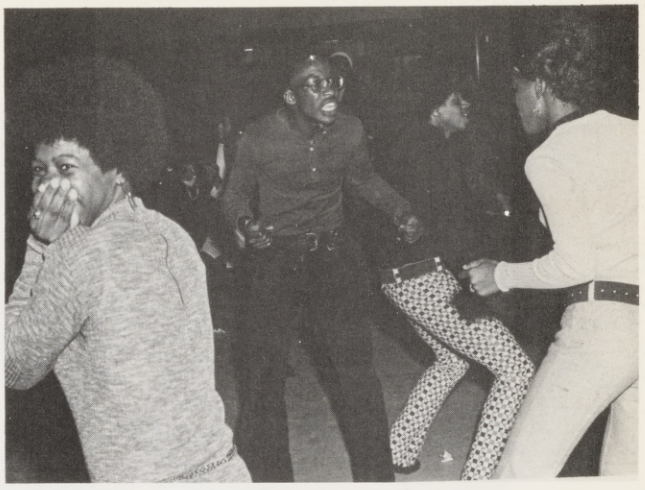
MUSIC IN MARCH

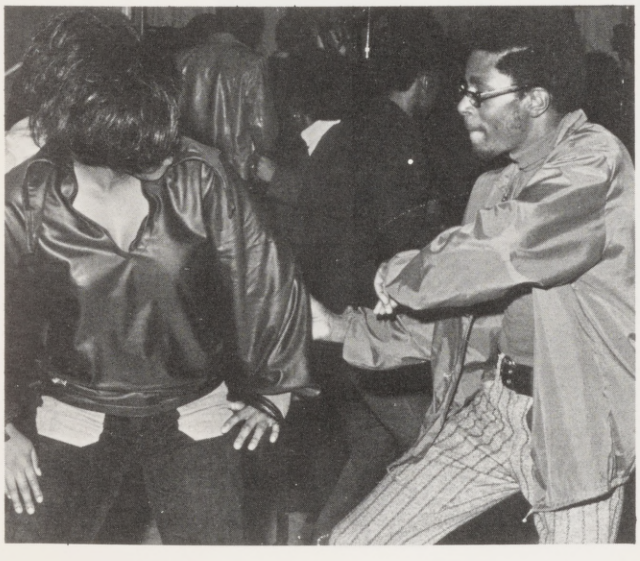
The Kennedy High Music Department outdid itself at it's "Music in March" program. The March 8 evening air was filled with the music of the Jazz, Concert, and Symphonic Bands. Under the masterful direction of music teacher, Robert Maddalena, the various bands graced the evening with performances of "A Motown Portrait," "Americans We," and "Stoney End." There were superb performances by flutists Eliana Caltagirone, Robert Gong, and Linda Neydon.

Once again, the Kennedy High Music Department lived up to its reputation for fine concerts.

LEAP YEAR DANCE

Leave it to the Class of '73 to take full advantage of the leap year situation and come up with the unique idea of a leap year dance. And so it was that on the evening of February 25, the Junior Class sponsored a Leap Year Dance. Highlighted by a dance contest this well-attended event proved to be a very successful affair for the Junior Class.





HOMECOMING: KENNEDY VS EL CERRITO

Senior attendant Diana Milton with escort Rufus Fields.

We had the lead as the crowd enthusiastically shouted down the final seconds one by one. The victory celebration that was to take place in the seconds to come was already a foregone conclusion but an eminent expectation. Then the impossible happened. They scored and we lost ... We lost!

And so a final glance at the scoreboard showed that this was the first Homecoming defeat for the Eagles in four years. But in the minds and eyes of the players who so gallantly fought and the thousands of fans who wildly cheered, this was not viewed upon as a loss, but rather a victory over the odds which at times seemed "too tough" to overcome.

Yes, it was Homecoming. November 5, 1971.

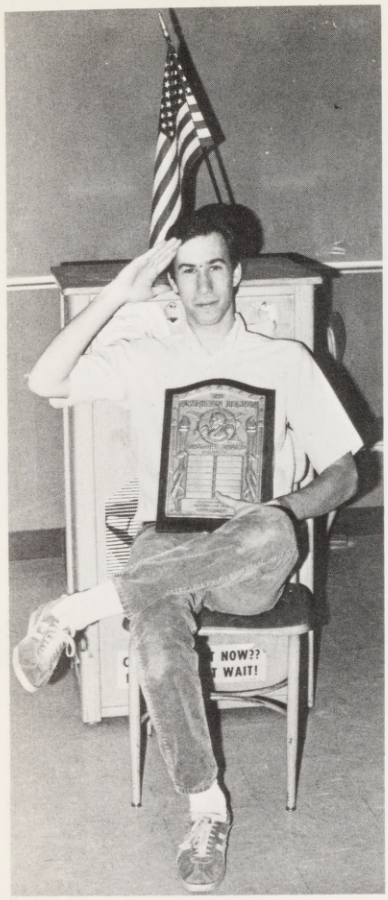
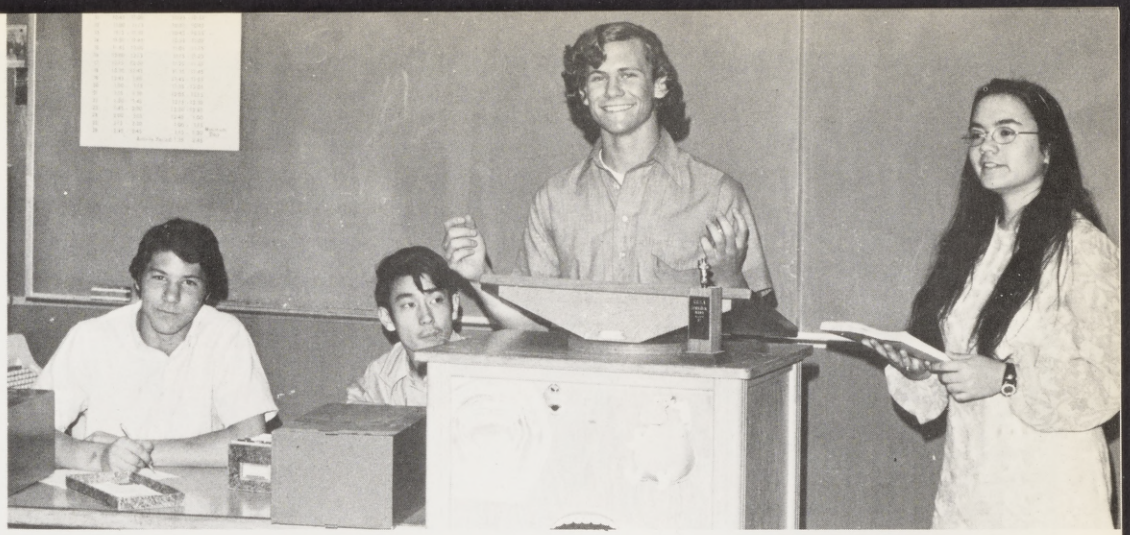
DEDICATION OF POOL

Located on the east side of John F. Kennedy High School is the new Kennedy Swim Center funded by the Richmond Redevelopment Agency, the facility cost $523,653. There were three pools built: one at about eleven feet deep for diving; the second is an Olympic sized pool, designed for use by the swim team; and the third is a baby pool at only two and a half feet. The pool was dedicated on Saturday morning, October 16, 1971.





FORENSICS

The Kennedy Forensics Team enjoyed its most successful year in history during '71-72. The team stretched its consecutive Golden Gate Speech Association sweepstakes award skein to 75, now have placed in the top three team rankings in every tournament since 1966. In March two team members, Vonya McCann and Robbyn Walker, qualified to compete in North Carolina at the national finals. Perhaps more important than the many honors and awards won by our speakers has been the increase in participation. Over 125 students have taken part in this, the only academic competitive team activity open to high school students. Forensics participants find that this extracurricular activity helps them throughout their lives and in the immediate future when applying to top colleges and universities. The team also provides an opportunity for travel, having sent its top speakers to places such as Los Angeles, Spokane, Boston, Peoria, Redlands, and Chico.

LEADERS JOIN THE ROTC

WHY?

Because they are men who have a rare capacity to give so that others, in all walks of life, can continue to take their rights for granted.

WHO ARE THEY?

Of the over 5,000 young men who were awarded four-year scholarships from 1965 to 1970

92% were in the upper 20% of their class.
53% were presidents of their student bodies or were class officers.
18% were editors of school publications.
61% were varsity letter winners.

Let us make you a better leader
